To Us

The **Rodis** is a book of memories. It represents a year's life crammed into a few short pages. This book is to be enjoyed now, but the time for remembering is not 1972, for the past is still linked with the present. When the days are replaced with new experiences, the **Rodis** will serve as a torch giving light to the past. Perhaps it will bring back a smile, perhaps a tear, but it will always bring back memories such as these:

R. R.'s wandering hands in ninth grade science . . . Mr. Yaka-baka-caka-daka-kovic . . . "This room is just one big hooplah!" . . . F.B.I. raid . . . the pool hall . . . "Beyond the Valley of the Dolls" . . . "Gallia tres partes est divisia." . . . Poconos and Seven Springs . . . "Reflections of Love" . . . Boonesfarm Strawberry Hill . . . Alex's hammer . . . World's Finest Chocolate . . . Mr. Kuzma's discipline chair and Mr. Carr's candy dish . . . Petch's jokes . . . Tommy rot and poppycock . . . Seventh period economics . . . Slush's socks . . . Smith's interception . . . Matilda and Sid . . . College boards . . . Milan . . . the Mile . . . "Summer of '42" . . . Party at Chatham Center on March 25, 1971 . . . Senior field trips . . . Edgehead . . . Toddy's tape jobs . . . The little chemistry room in the back . . . Kramer's static burns . . . Lester's Bakery . . . Going down, huh, bye! . . . Graduation parties . . . **Hamlet, Macbeth, Oedipus Rex, Pygmalion**, etc . . . Blotches . . . 8:00-3:20 . . . Christmas Choir Concert . . . May 23 . . . Bruno and Smitty in the old gym . . . Vera and the ditto machine . . . Walking out of Mrs. Shovlin's homeroom . . . Graucho at the prom . . . **ONE ANOTHER.**

These are just a few of the memories that highlighted our years in school. As we grow older and further apart, perhaps we shall forget for a time. Hopefully when we think or see the **Rodis**, some memories will be stirred in our hearts, and we shall fondly remember those years when youth seemed never-ending. For this reason, we dedicate the **Rodis TO US**—the senior class of 1972.

"If ever there was a cause, if ever there can be a cause, worthy to be upheld by all of toil or sacrifice that the human heart can endure, it is the cause of education."

Faculty And Administration

Administrators Are Backbone of M.H.S.

SUPERINTENDENT CHARLES P. HENDERSON

Dr. Charles P. Henderson was an honor graduate of South Hills High School and served with the 29th Division in Europe during WW II. A graduate of Duquesne University and the University of Pittsburgh, Dr. Henderson resided in Midland with his wife Betty and their two children, Jack and Judy.

Prior to becoming superintendent of the Midland school district in 1968, Dr. Henderson served as a teacher in Midland from 1949-1961, principal at South Side for five years, and director of students at Pennsylvania State University, Beaver Campus for one year.

Our principal, Mr. Joel D. Carr, was born in 1935. He attended Beaver Falls High School and went on to receive his B.S. degree from Geneva College. He did his post graduate work at Westminster College where he received his M.S. in education. He is currently engaged in classes at the University of Pittsburgh where he hopes to receive his doctorate. Mr. Carr resides in Beaver Falls with his wife Nancy, and their two children, Kimberly and Joel, Jr.

Since his coming to Midland, Mr. Carr has worked diligently to raise the standards of our high school. Mr. Carr maintains a control over the school that has helped to establish better relationships between students and faculty.

PRINCIPAL JOEL D. CARR

Midland's Secretaries

Efficient,
Helpful,
And Pleasant

The capable secretaries of M.H.S. can account for the smooth operation of the school offices. These secretaries are: Miss Bernice Coffin and Miss Karen Granito of the superintendent's office, Miss Melanie Chambers of the principal's office, and Miss Beverly McCauley of the guidance office. Secretaries at Midland High School have more than their share of work, yet they find time to aid students by issuing late slips, typing students' reports, sending transcripts to colleges and universities, and keeping the accounts of the various clubs. They keep the ball rolling.

MISS KAREN GRANITO AND MISS BERNICE COFFIN

MISS MELANIE CHAMBERS

MISS BEVERLY McCAULEY

Midland School Board

(l.-r.)—E. P. Cilli, J. F. Shovlin III, A. Martell, C. Lacey.

Standing—F. Suffoletta, Dr. C. P. Henderson, J. Harty, J. Zdinak, M. Newman, L. Roach, N. Wildman.

Guidance Counselor

"It would not be too much to say that in the success or failure of our guidance program hangs, in all probability, the success or failure of our system of education."

Through the efforts of our guidance counselor, a record of the capabilities, strengths, and interests of students is a basis for the best decisions concerning study, work, and play. Mr. Koss, the vocational guidance who works actively in three school districts, also aids students in finding employment after graduation.

The **ENGLISH DEPARTMENT** of Midland High School consists of Miss Marjorie Lovejoy, Miss Marie Milanovich, Mr. Gary Kaukonen, Mrs. Jannette Needs, Mrs. Ruth Frye, and Miss Mary Grace D'Alesio. The purpose of this department is to help each student acquire a knowledge of our English language, improve reading and vocabulary skills, discover his individual style of writing, and gain an insight into interpreting literature. We regret the retirement of Mrs. Ruth Frye, our reading teacher, who was a real asset to our high school.

Our school library provides a quiet place for study and research thanks to the **LIBRARIAN**, Miss Carolyn Karcher. Without her excellent guidance, many term papers and reports would have never been completed or even started.

The **SOCIAL STUDIES DEPARTMENT** of Midland High School consists of **Rev. J. N. Patterson**, **Mr. Martin Schulte**, **Mr. Dixon**, **Mrs. Patricia Weber**, and **Mr. Edward Olkowski**. This department enables a student to develop a broad perspective of all countries and world events.

The **BUSINESS DEPARTMENT** includes **Mr. Richard Weltendorf**, **Mrs. Dorothy Shovlin**, and **Mr. Dennis Cambier**. It is an important part of the curriculum at Midland High School. Business students employ the best up-to-date equipment as a preparation for their future work. College-bound students may enroll in non-commercial typing courses so they may learn to type, too.

The **FOREIGN LANGUAGE DEPARTMENT** staff is Miss Marie Milanovich, Latin; Miss Enid Ritzert, Spanish; and Mrs. Patricia Weber, French. There are many ways to show interest in another's culture, but being willing to learn his language is one of the best. Foreign countries become realities as the barriers of speech and customs are broken.

The **HEALTH AND PHYSICAL EDUCATION DEPARTMENT** includes Miss Eugenia O'Hara and Mr. Charles Polee. Their courses develop the body and mind. They incorporate physical fitness for all. In health class discussions on hygiene, first aid, diseases, and mental health are held.

As students make an attempt at sewing today's fashions, they find themselves amazed at their own handiwork, thanks to Miss Zell's sewing techniques.

The **ART DEPARTMENT's** director is **Mr. Lawrence Novak**. Art, the true mirror of our minds, is reflected in all Mr. Novak's ideas and creations. Through his supervision many students of M.H.S. have continued their education in an art career. Every year art students of M.H.S. have continued their education in an art career. Teachers—Imparters Of Inspiration

Mr. George Ordich is head of the **INDUSTRIAL ART DEPARTMENT** and the **A.V.A. DEPARTMENT**. He teaches drafting, which provides students with new skills, and wood shop, which gives students not only valuable theory, but also many hours of practical experience.

Mrs. Roderick, known to most students as "Tia", is a teacher's aid. She helps in supervising the cassette room and also in the girls' physical education classes. She acts as an official, an enthusiastic spectator-cheerleader, and sometimes she even attempts to take part in the game. Tia will never forget this year's senior gym class.

The **MATHEMATICS DEPARTMENT** of Midland High includes **Mr. Wallace R. Beattie**, **Mr. Ivan Dye**, and **Miss Marjorie Atkins**. In an effort to become a stimulating source of knowledge in practical and technological fields, mathematics offers many courses measured to the individual capacities of the student. Besides Algebra I, Algebra II, Plane Geometry, and trigonometry, Basic Math is also available. Students with exceptional ability may pursue Advanced Math.

The school nurse, **Mrs. Margaret Glumac**, performed her duties throughout the year. Mrs. Glumac weighed and measured every student in the school. Eye and hearing tests were also given to everyone.

Mr. John Petchel, **Mr. John Christon**, and **Mr. Edmund DeFilippi** constitute Midland High's **SCIENCE DEPARTMENT**. A major goal for Midland science students is to develop the ability to reason through carefully planned laboratory problems and experiments. Through the teachings of the science instructors, this goal is becoming a reality.

Piano and organ instructor, **Mr. Fred Martell**, is at Midland High School for weekly instruction. Mr. Martell's students perform annually in the spring concert. Mr. Martell gives many the opportunity to develop their skill on the piano and organ.

We came—
But could not stay,
We saw—
And will never forget.
We conquered—
But have only begun.

Senior Prophecy

Imagine you are traveling through the dimensions of time and space. The months have flown by swiftly. We are approaching the year 1980 where we tune in to television station, WMHS, Channel 72, and the evening newscast.

"Good evening, this is **CHRIS SHOVLIN** with the news of the day. On the national scene:"

"The top news story of the day concerns the wine king. **IKE ROCCA** was rushed to the hospital with a severe case of "purple toeitis." **DR. JO-ANN DRAGELEVICH**, toe-fungi specialist, reported that **MR. ROCCA** is in satisfactory condition after his fall into a fermenting wine vat."

"Also in the news is a report from Kalamazoo, Michigan. Doctors at Eye, Ear, Nose, and Throat Hospital have reported the first successful nose transplant. **JOE TIRRENO**, noted actor and famous portrayer of Pinocchio, was forced to undergo the operation when his nose got caught in a revolving door. Doctors say his new nose will not hinder his career in any way.

"At the national convention of the DDDS (Drink, Drink, & Drunk Society), **DAN "SLISH" MUSLOVSKI** was elected president of this organization. **MR. MUSLOVSKI** will assume the duties of this office by checking out every bar in the United States during his term.

"Here's a news flash—The President has announced that **PAULA CELLINI** will become the first Postmistress General of the United States. When asked by one of our reporters what her first venture in office would be, she replied, 'Instituting a doggy express from my private kennel.' "

"The Chef Boy-ar-Dee Company has announced today that **FRANK FIENI** will succeed as the President of the Board of Directors. A company spokesman said the fact that Mr. Fieni resembled Chef Boy-ar-Dee has nothing to do with his election."

"Another topic in the news today is the arrest of two religious radicals in Los Angeles, California. **SISTER DEBRA MIGLIORE** and **FATHER JAY D'ANGELO** were arrested today for having a sit-in demonstration at Disneyland protesting the induction of Mickey Mouse and Donald Duck into the Marines."

"This afternoon in Washington, D.C., at the Smithsonian Institute, **DR. RICHARD HODGES**, noted bacteriologist, delivered an address to the cattlemen's association on animal diseases. **DR. HODGES** was recently given a Nobel Prize for his cure of the dreaded "hoof and mouth" disease."

"The Senate Committee on the study of pornography handed a subpoena to **JERRY JUSTICE**, *Playboy's* top cartoonist. **SENATOR DONALD F. WHITE** said his committee will closely examine all of **JUSTICE'S** work in great detail."

COMMERCIAL BREAK

"Hi, there! This is **BRENT KATICH**, bringing you my new hair growing product, called 'Grow, Grow, Grow,' for all of you men who find your hairlines receding faster each day. I used to have the problem, but with 'Grow, Grow, Grow,' my hair just grew, grew, grew! A free bottle of my tonic will be given with every 'NO-SLIP DOUBLE GRIP WIG' bought at **DEBBIE SAMUELS' Wig Salon**, 115 Baldhead Road."

"For all the news on the local scene, we turn now to **RAY KOMARA**. Take it away, **RAY!**"

"This is **RAY KOMARA** with the news pertinent to Midland residents. A news item hot off the press:"

"A four-alarm fire has occurred at the home of **NICK PRODONOVICH**. Fire chief, **DAVE "SLUSH" MUSLOVSKI**, said that the fire originated in the Prodonovich cellar while **NICK** was roasting a pig. The pig splattered hot grease on the curtains, thus setting the house afire.

"A daring rescue was made today by **MISS VERONICA CACIC**, who saved lifeguard, **MELANIE SUZNEVICH**, from drowning in the baby pool, while she was helplessly dragged to the bottom of the pool by the undercurrent."

"A religious rally was held last night in the Midland Stadium by evangelists, **ELKING TARVER** and **CLAYBORNE RAWL**. The estimated crowd of 23½ people was quoted as being well-behaved by Police Chief **DAVID JAKES**."

"A sad item in the news today is the reported death of **MISS VICKIE PROCTOR**. Coroner **BILL VALENTINE** said the autopsy of the famous model revealed that she had died of a cluttered mind. Funeral de-arrangements will be made by **SEPOS' Funeral Parlor**."

"The business scene in Midland has been undergoing many changes. **BILL ROMAN** has recently been promoted from his current position as floor sweeper to business manager at Martell's Men Store. The ownership of Tonti's Bar has recently changed hands. **MISS SHIRLEY TOOKES**, new owner, says she will change the name to Tookes' Tavern. It has also been reported that **MISS SHELIA ALSTON** has recently purchased the spa in East Liverpool and plans to turn it into a discotheque.

"Five new businesses have opened in town today. The **BRADLEY** brothers, **ERNEST**, **GEORGE**, **JAMES**, and **GREGORY**, have opened up a Chinese laundry on Midland Avenue next to **ANDERSON'S** Shoe Store. Pharmacist **KEN WILLIAMS** has recently opened a chain of drug stores with the home office in Midland. Clearisil, Inc. has announced that it will open a branch office in Midland with **TYRONE OLIVER** as manager."

"A search is underway today a #747 Star Stream jet. The pilot, **MARK WADDINGHAM** never radioed in from his long-distance flight from Midland to East Liverpool."

"The water authority reported today that **CHARLES CRAIK** will succeed his father as water authority president."

"**BUTCH ROSEPIER** and **MIKE SMITH** recently acquired a strip of land known as the 'Mile.' The land will be used as a drive-in theater. **BUTCH** will operate the projector while **MIKE** will function as the screen."

"A decision was handed down by Judge **LISA SMITH** to place **GEORGE FRANCIS** in a rest home after being charged with polygamy. During the past eight years, he had accumulated a total of seven wives and thirty-six children. When asked for a comment by our reporter, his only reply was, 'I'm tired!'"

"Now we have a commercial break."

"If you like chicken, that is finger-lickin' good, this is **SENOR STEVE SANCHEZ** saying, 'Mosey on down to my hacienda, and break some birds with me.'"

"A local girl is in the news today. **LINDA HURST**, one time Midland gymnastic star, has been named to the United States Olympic tumbling team."

"And now I'd like to turn the program to our literature and theater critic, **JOSEPHINE BARR**."

"In the movie industry, it was announced that actor, **DON CHECCA**, has been awarded the starring role in the new movie sequel to the 'Godfather,'—'The Godson.' Also making a new movie is the Academy Award winner, **JOHN LIBERATORE**, who will be starring in the motion picture story of his life, 'Conceit and Modesty.'"

"A new television game show will be shown on this station starting Tuesday, called 'Divorce American Style.' It will star that witty hostess and ten-time divorcee, **NANCE PRESUTTI**."

"The Metropolitan Opera Ballet Company will feature **DEBBIE YOVICH** as Tinkerbell in their latest production of 'Peter Pan.'"

"Two books now on the million seller list have been announced by the **Literary Review** as the Books of the Year. They are **HOW TO GET YOUR MAN AND KEEP HIM**, by **BETTY BARLOW** and **VERA UROSEVIC**; and **MORE FABLES AND FAIRY TALES**, by **STANLEY DOMBROWSKI**."

"**JACK HENDERSON** will succeed the post left open by Miss Enid Ritzert, who retired because of a nervous breakdown."

"The Duquesne University Tamburitzans have awarded a ten dollar scholarship to **JEANETTE DRAGELEVICH** because of her efforts over the past years to get into the Tammies."

"It was reported that **BARBARA GLOVER** was seen taking over the kindergarten class at First Street School."

"This is all of the school news today. Now we'll hear from our gossip editor, **SUSAN DOYLE**."

"For all you ladies, **Cosmopolitan** has announced that in this month's magazine, **ALEX VRANES** will appear in the center fold, and next month as a real treat, Mr. Universe himself, **BOB BERKEY**, has agreed to pose for **Cosmopolitan**."

"Another interesting tidbit of gossip: It was reported that **ED DICICCIO** was seen standing on 13th Street corner selling elevator shoes. It was also reported that the Mayor **RICK ROBERTSON** was seen going through the back doors of the **CERVELLI SISTERS'** marriage counseling service."

At times Advanced Math class seemed
frustrating!

From here it's
an open road . . .

I expect
to pass through
this road but once.
Any good, therefore, that
I can do or any kindness that
I can show to my
fellow creatures, Let me
not defer nor neglect it,
for I shall not pass this way
again.

In the morning of our days,
when the senses are unworn and
tender; when the whole man is
awake in every part, and the gloss
of novelty is fresh upon all the ob-
jects that surround us, how lively at
the time are our sensations, but
how false and inaccurate the judg-
ments we form of things!

Parents and teachers at the tea.

On Thursday, May 11, 1972, the Midland National Honor Society held its forty-third initiation. The dimmed stage and lighted candles added to the atmosphere of the initiation. Eighteen permanent members and thirteen provisional members now belong to the society. Miss Marie Milanovich, a dedicated teacher, serves as the club's sponsor. Its officers include: president John Liberatore, vice-president Debbie Studen, secretary Louise Cervelli, and treasurer Linda Tarbuk. Following the assembly, teachers, parents, and members gathered in the Forum for a tea.

Debbie and Linda serve punch to the teachers.

Mr. Edward Schor, MHS band director.

The Midland High School Band has greatly improved their sound under the capable direction of Mr. Edward Schor. Their musical selections range from the classical music of Beethoven to the new sounds of Chicago. The student body is proud of the band as they perform at half-time shows, parades, and at the annual concerts. The band's trip to Harrisburg in May proved to be a successful venture. Congratulations to Mr. Schor and the MHS Band for their successful season.

Willingness to devote long hours to practice is one of the principal qualifications of a Midland cheerleader. Generating enthusiasm at all football and basketball games, these girls provide clever skits and delightful entertainment at pep rallies.

Miss Beverly McCauley is the sponsor for the cheerleaders. She accompanies them to all athletic events. The cheerleaders were chosen from interested girls in the high school. They are judged for appearance, enthusiasm, voice, and cheering ability.

Both the **Senior High** and **Junior High Student Councils** are under the guidance of Mr. Ray Stowitsky. The councils of this year sponsored movies for the school to enjoy, sponsored a canned good drive for families in the Midland area, and tried to ease Midland's racial tension.

The Student Council is striving to organize a more direct system of student government which gives the student a more active role. Another of their main objectives is to improve relationships between students and faculty.

Their officers are president, Patty Green; vice-president, John Uccellini; and secretary-treasurer, Hollie Balser. The club sponsored a spaghetti dinner in December which was a success. The F.T.A. encourages students at Midland High School to make teaching their career.

*W.P.I.A.L. Class-B Championship Game

Producing an unblemished record in 1970 and being deprived of a shot at the title served only as a precedent for Ivan Dye's squad of 1971. The team was purely determined to show the county that it would not use its record from the previous season to lean back on. After an opening game loss to Class-A power, Albert Gallatin, the mighty Leopards reeled off eight straight victories, including an impressive win over highly touted South Fayette, a "squeaker" over a tough Bellevue squad, and a convincing onslaught of our arch-rivals, the Golden Beavers. Scoring wasn't a problem, as the Leopards revealed that they could score very quickly and sometimes easily. When the offense was not mixing, the defense was devoting their time at causing fumbles, intercepting passes, and providing excellent field position for the incoming offense. Put it all together and you've just placed this 1971 team into the Class-B title game with Chartiers-Houston. Although we lost the game, all of Midland's many successful triumphs should not be forgotten. Look back and remember the games that lead to the Steel Bowl, M.A.C., and O.V.C. championships. But above all, the Leopards were poised like CHAMPIONS, performed and acted like CHAMPIONS, and truly are CHAMPIONS.

Coaches Plan Leopard Strategy

Assistant Coaches, Mr. Martin Schulte, Mr. Richard Wellendorf, Mr. Edward Defillippi, and head coach, Mr. Ivan Dye.

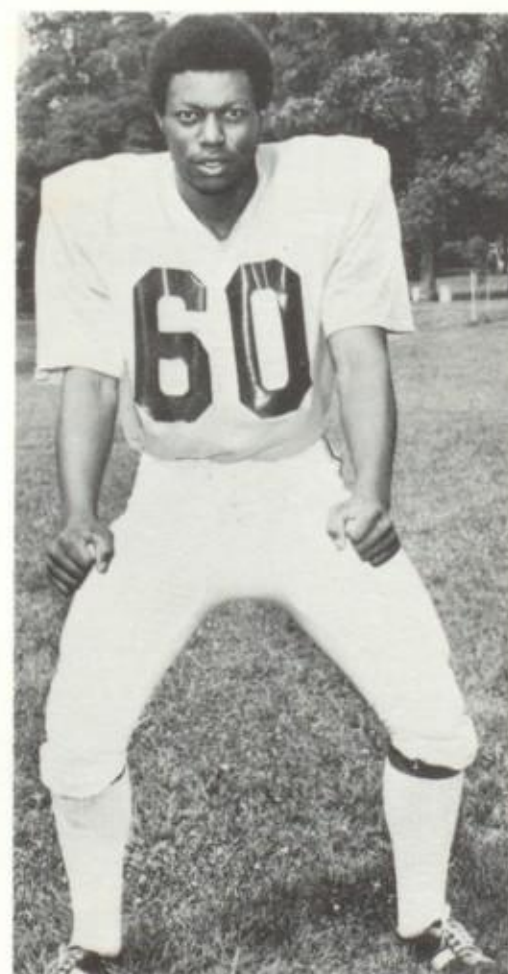

Last minute directions to Quarterback Smith.

Senior Superstars

(left) **ED DICICCIO**, our "Supermouse" split-end, made the All-County and All Tri-State teams. He was also one of the top ten scorers in the area. (right) Our quarterback, **MIKE SMITH**, helped lead Midland to its many victories. He made the All-County and All Tri-State teams. (bottom left) Senior left guard, **RAY KOMARA**, was seen regularly on the gridiron blocking the opposition. (center) **STEVE SANCHEZ**, senior center, was a big asset to the Leopards. He was chosen by local sportswriters to be on the All-County team. (bottom right) **KEN WILLIAMS**, a defensive guard, also made the All-County team. He had a particularly good game at Freedom.

(left) **BRENT KATICH** was an end who made the All-County team for the second consecutive year and the All Tri-State team. Brent "saved" the Bellevue game with his fantastic tackle. (right) **BOB BERKEY** was another defensive guard. He was always there for the tackle, especially at South Fayette. (bottom left) McDonald's Player of the Week, right halfback **JOE TIRRENO** made the All-County and All Tri-State teams. He was also one of the top ten scorers in Beaver County. (bottom center) Fullback **BUTCH ROSEPILER** made the All-County team. He had an especially good game at Chartiers-Houston. (bottom right) **DAVE MUSLOVSKI** was a right guard for Midland. He is a three-year letterman who was an asset to the team.

More Leopard Assets

(top left) **DONALD CHECCA** was an end who played on the kick-off team. However, he received a neck injury during practice and was out part of the season.

(top center) **DAN MUSLOVSKI**, a three-year letterman, played linebacker. He was injured by Brother Slush one day at practice.

(top right) Senior **JOHN LIBERATORE** is a two-year letterman for the Leopards. He played corner linebacker, but unfortunately was injured in the championship game.

(left) Senior **JOHN UCCELLINI** was a tackle for Midland and excelled on the speciality teams.

(below) Wonder what this pretty "Playboy" chorus line is smiling about?

Head Coach—Mr. Nick Aloï

Assistant Coach—Mr. Wallace Beattie

The 1971-1972 Midland High School basketball team began their season with Mr. Aloï at the helm after illness forced Mr. Ed Olkowski to step down. After several successful seasons as coach of the Junior Varsity, Mr. Aloï led the Leopards to a fine 16-6 record. The Leopards started slowly, but by the season's end they molded themselves into a sectional contender. However, a season ending defeat at the hands of eventual section champs and state runner-up, Monaca, ended Midland's hope of repeating as Section 18-B champions.

The Leopard Kittens, under the coaching of Mr. Daniel Suffoletta and Mr. Ronald Naupauer, boasted a perfect 18-0 season. This powerful team was one of the best in Leopard history. Only two of the eighteen games were squeakers for the Kitten cagers—West Gate East Liverpool and New Castle. All other games were decisive victories for the Midland Junior High team. Larry Stevens, a spirited seventh grader, was high scorer for the team. He totaled 458 points for the season and averaged 25.4 points per game. Congratulations to the coaches, team, and managers for their fine record this year.

Track Team Trods On

Mr. Martin Schulte worked long hours with an inexperienced team to improve their talents and skills. One member of the team, John Liberatore, qualified to be in the Class B State track meet. He placed fifth in the entire state. Due to a lack of experience Midland's track team ended the season with a poor record. What proved to be tragic to this team, hopefully, will result in an improved 1973 season.

Hurdler John Liberatore qualified for the state meet.

Season Record: 13-6

Coach Rich Wellendorf had a fine season this spring. The 13-6 season was the best Midland has seen in a long time. The combined efforts of the coach, team, and managers were the ingredients for their success during the 1972 campaign.

ACTIVITIES

A Long and Deserved Honor

On Friday, October 8, 1971, parents and sons gathered at Midland High Stadium for the annual **Parents' Night**. The parents were justly honored for the many meals kept warm, the headaches they had as they listened to their sons moan and groan about all the aches and pains, the many Fridays they spent coaching from the stands, and anxiously awaiting the victory. 1. (Top left) Mr. & Mrs. Gil Liberatore and son, John. 2. (Top right) Steve and Mrs. Sanchez, who received a special award from the players for the "oasis" she had waiting for them every night. 3. (Right) The faithful crowd urges them on to victory. 4. (Lower left) More proud parents. 5. (Lower right) The Parents' Night victory over Trafford.

(Top left) The Slappy family and the Ranellis gather on the field. (Top right) Mr. & Mrs. Santo Tirreno and Joe march proudly on the field. (Middle left) Mr. & Mrs. Stanley Muslovski have two reasons to be proud. (Middle right) I'll sneak under him. (Lower left) The DiCiccios and the Checcas were honored tonight. (Lower right) Spectators cheer the team.

The Greatest Show On Earth

One of the most long-awaited days finally came to reality on Friday, October 22, 1971. The Class of '72 celebrated its annual Senior Day. The court was chosen in school during an afternoon assembly. Chri i Shovlin and Hollie Balser emceed the event. The members of the class made their historic walk across the M.H.S. stage. The court included Betty Barlow, Louise Cervelli, Brenda Parker, Vickie Proctor, Debra Samuels, and Lisa Smith. The finale came that night when Vickie Proctor was chosen homecoming queen, and Louise Cervelli was chosen runner-up. The fighting Leopards trounced the Riverside Panthers by a score of 44-12.

Laurels Bestowed Upon The Champs

The Midland High School Leopards were dually honored at a special assembly on Monday, November 15, 1971. A representative from Colt Industries presented Midland High School with the Crucible Cup. Gary Duck, president of Western Beaver High School Student Council, was on hand to present the cup to John Uccellini, our Student Council president, as the team watched intently. The Crucible Cup is awarded each year to the winner of the Midland-Western Beaver football game. Mr. James Harty, school board president for 1971, congratulated the team and Coach Dye on the wonderful season. Dr. Charles P. Henderson led the student body in a rousing cheer for the mighty Leopards.

Band Dance Highlights Christmas Season

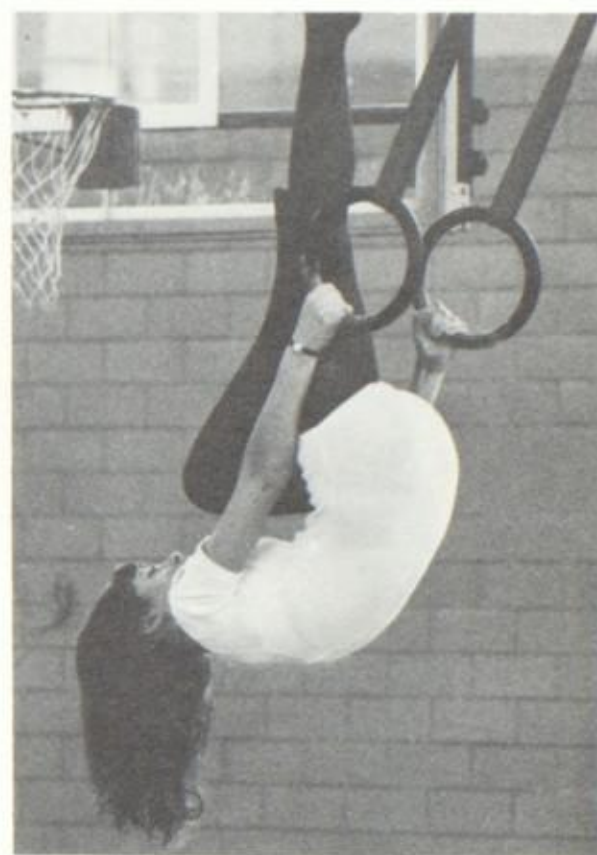

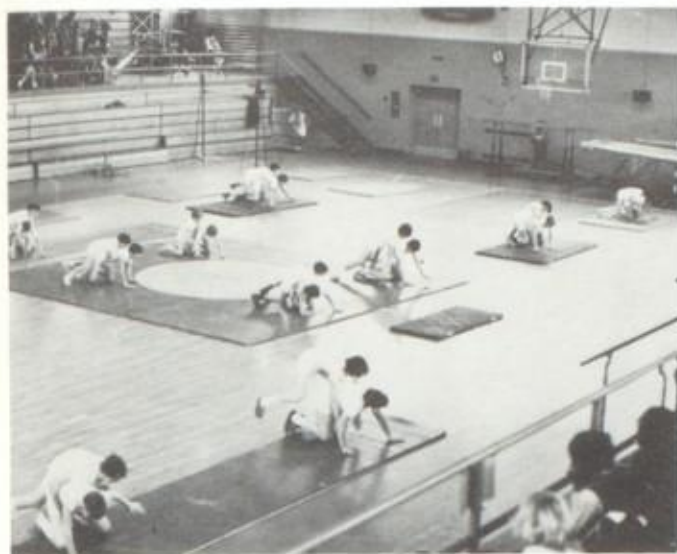

On Saturday, December 4, 1971, the forum was brightly decorated in reds and greens for the annual M.H.S. Band Christmas dance. The "Eschelons" sound inspired many couples to make their way to the dance floor. The long-awaited crowning of the king and queen finally came. The winners were Bill Roman and Nancy Presutti respectively. The court consisted of Brenda Parker and Jack Henderson. Since Jack was absent from the dance, Chris Shovlin took his place on the court. Mr. Edward Schor, band director, received gifts from the band members and the Band Boosters. Everyone made it a night to remember.

Amelia's fearful fall.

On Friday, March 24, 1972, the talented Midland High School gymnasts under the direction of Miss Eugenia O'Hara and Mr. Charles Polce displayed their skills to a capacity crowd at their gym exhibition. The skills ranged from wrestling to dancing. Performances were on the trampoline, the balance beam, the horse, the rings, and the parallel bars. The students are to be congratulated for their fine performance.

Band Concert and Art Festival

On Friday, April 14, 1972, the Midland Band, under the direction of Mr. Schor, gave one of the best band concerts Midland has ever heard.

Mr. Schor is presented his gifts by Bill Roman and Mr. Jack Balser.

1972's "Dream Come True"

1972 Junior-Senior Prom

The social event of the year occurred on Friday, May 12, 1972. Our exclusive gossip columnist for the *Rodis* reported the event. "At approximately 8:30 P.M. in the New Gymnasium the Grand March began. Before I begin telling you the details of the night's events, I must tell you about the prom's decorations. The kids just worked fantastically under the careful eyes of Mr. Martin Schulte, head sponsor, and Hollie Balser, prom decorating chairman, or should I say chairmistress? The colors were mint green and emerald. They were simply divine. It was quite coincidental how this year's prom resembled that of last year's. Well, well, back to the Grand March. You could pick the jittery juniors out of the crowd against the suave seniors. Everyone looked so beautiful. Some of the latest fashions such as the halter gowns, peasant gowns, and even some *haute couture* from Detroit. There was almost a tragedy during the Grand March. One young miss (not mentioning names, though) almost tripped as she was descending from the gazebo staircase, but fortunately her escort's skill helped to recover her cool. The Gary Glenn Sound provided the music, and the couples hated to leave the New Gym to go to the Willow's Motel for the Post Prom. The "Dream Come True" almost turned into a nightmare when the Post Prom group didn't show until 4:00 A.M. Luckily the hypnotist didn't take to a disappearing act. The hypnotist tried all of his techniques on the couples, some of his tricks failed, but one worked extremely well on Bob Kadilak. The couples, exhausted but happy, finally departed at 5:00 A.M. for places such as the airport, homes of their dates, and other undetermined sites. "The Dream Come True" was a night to remember."

Senior Banquet

On Thursday, May 18, 1972, in the Serbian Club the Class of 1972 held their Senior Banquet. The senior class sponsors, Miss Marjorie Lovejoy, Mrs. Janette Needs, Mrs. Dorothy Shovlin, and Mr. Lawrence Novak, were in attendance. The turkey dinner, which was specially prepared by the Kolo Srpskih Sestara, was delicious. Dr. Charles P. Henderson delivered an address to the upcoming graduates. The Last Will and Testament and the Senior Prophecy was read. The banquet was a success.

"Senior class of 1972, We are very proud of you."

"Ah, here it comes!"

"Oh, John, what modesty."

"What's up now, Giz?"

Awards Day—May 17, 1972

Melanie Suznevich, Chuck Craik, Annette Amato, Debbie Studen, and Linda Tarbuk receive yearbook awards from Mr. Dennis Cambier.

On Wednesday, May 17, 1972, the annual Awards Day assembly took place. Awards were presented from the language, math, science, English, art, social studies, and athletic departments. Over a hundred students received awards for their achievements. This was the last assembly of the year for the Class of 1972.

"The Good Shall Receive the Gold of the Earth"

Jack Henderson receives the Distinguished Musician's Awards issued by the United States Marine Youth Foundation.

Daniel Suffoletta and Mary Kaye Viakley receive the American Legion award for being the outstanding boy and girl in the eighth grade class.

Brenda Parker, MHS's head majorette, receives a special award from Mr. Edward Schor, band director.

Varsity cheerleaders, Tina Pantoni, Debbie Samuels, Teresa Doyle, Betty Barlow, Odette Francis, and Lisa Smith receive letters from the cheerleading sponsor, Miss Beverly McCauley.

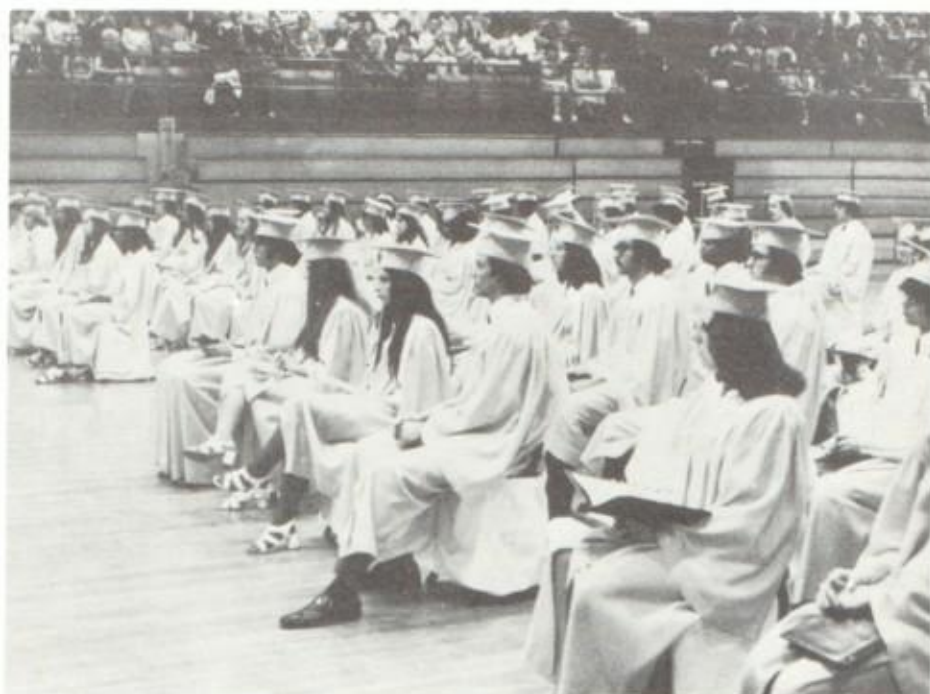

Graduation '72

On Tuesday, May 23, 1972, commencement exercises took place in the New Gymnasium. Seventy-four students were graduated. The guest speaker, Mr. William A. Fisher, principal of Taylor-Allderdice High School, addressed the class. Co-valedictorians, Deborah Anne Studen and Linda Marie Tarbuk, spoke on "Search For Values" and "Search For Self" respectively. The senior members of the choir presented selections under the direction of Mr. Frank Baird.

GOODBYE!

Acknowledgements

Planning and producing a quality yearbook is an enormous task. The 1972 **RODIS** would not have been possible without the support of the Senior Class, the purchase of advertising space by the business community, the editorial staff and our sponsor, Miss Mary Grace D'Alesio, Mr. Dennis Cambier and his business staff, Mr. Don Parker's photography, Mrs. N.J. Liberatore's pictures from the **Midland News**, Rudmanovich's Cover Design Inc., and Mr. Gene Burke—Paragon Press representative. We hope we have achieved our goal, helping each student remember the great year of 1972. The 1972 **RODIS** cordially invites the absence of your querulous and strident lamentations.

Deborah Studen, editor
Linda Tarbuk, assistant editor

IN MEMORY OF

MR. RAYMOND CONJESKI and JAMES KEVIN HONAKER

It sometimes happens that two friends will meet,
And, with a smile and touch of hands, again
Go on their way along the noisy street.
Each is so sure of all the friendship sweet,
The loving silence gives no thought of pain.
And so, I think those friends whom we call dead
Are with us. It may be some quiet hour,
Or time of busy work for hand or head—
Their love fills all the heart that missed them so.
They bring a sweet assurance of the life
Serene, above the worry that we know;
And we grow braver for the comfort brought.
Why should we mourn because they do not speak
Our words that lie so far below their thought?
